

Broadgate

MICROSOFT 365 AND TEAMS

Already on Microsoft 365?

Pay less for it.

Move your Microsoft billing to Broadgate and keep everything exactly as it is. The same licences, logins, data and Teams, on a lower bill.

Nothing changes for your staff.

You stay with Microsoft. Microsoft stops billing you, we take over, and your people carry on working exactly as they do today.

1

Send us your latest Microsoft bill

2

We show you what you could save

3

We take over the billing

Typically around 10% less

Monthly payers typically save around 10% and stay on monthly billing.

Annual payers save too

A saving on your licences, plus monthly billing for easier budgeting.

Every licence

E1, E3, E5 and the rest of your Microsoft licences.

Move at any time

Wherever you are in your current Microsoft agreement.

Licences looked after

We can look after all your Microsoft licensing, not just Teams.

One partner

One bill, one support team and a named account manager.

Free Microsoft licence review

Send us your latest Microsoft bill and we'll show you what you could save.

Thinking about calls in Teams?

If your team already works in Teams, they can make and take business calls there too. There are four ways to do it, and we offer all four.

Teams with GoYap

RECOMMENDED

GoYap runs the calls, so you get our phone system's features in Teams.

Teams Integration Lite

The GoYap dialler, inside Teams.

- ✓ GoYap calling features, without leaving Teams
- ✓ The lowest-cost way to call from Teams

You need: 1 GoYap licence only

Suits: Calling in Teams at the lowest cost.

GoYap for Teams

GoYap is your phone system, and Teams becomes one of each user's devices.

- ✓ GoYap's phone system features in Teams
- ✓ Use any approved desk phone, not just Microsoft's list
- ✓ Desktop app and GoYap Mobile alongside Teams

You need: 1 Microsoft + 1 GoYap licence

Suits: A full phone system that works with Teams.

Keep it all Microsoft

Everything stays in Teams, with Broadgate looking after it.

Microsoft Teams Phone

Teams Phone and calling straight from Microsoft, billed through us.

- ✓ Everything stays in Microsoft
- ✓ Typically around 10% less than buying direct
- ✓ On one bill with your other licences

You need: 2 Microsoft licences

Suits: Microsoft for everything.

Direct Routing

Teams Phone, with our phone lines connected straight into Teams.

- ✓ Phone lines supplied and supported by us
- ✓ Keep your existing numbers
- ✓ Works with Microsoft-approved desk phones

You need: 1 Microsoft + 1 routing licence

Suits: Teams calling, with lines from us.

Not sure which is right? Talk to one of our experts and we'll recommend the best fit for how your team works.

See it first. Then try it free.

We'll show you how calling in Teams works for your team in a short demo, then set you up with a free trial, usually within minutes.
